2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2025-26 School Description and Mission Statement

School Profile

Gazelle Elementary School is located in Gazelle, a rural community in Siskiyou County, California. Gazelle is between the communities of Grenada and Weed on Old Highway 99. Gazelle School has an enrollment of approximately 35 students in grades K - 8th.

Gazelle Elementary School feeds into the Yreka High School and Weed High School. Historically, Gazelle was an agriculture community, with a rail station, and had a meat packing plant and mercantile which served a vast area. Today, the community is still an agriculture community, with a post office, and the school. About 80% of our students are inter-district transfers from the

surrounding areas.

Mission Statement

Gazelle Elementary School, the school with a small school atmosphere, a strong academic, high tech, team oriented focus for every student.

Vision Statement

We believe each student can learn, has individual creativity, and holds great potential. We strive to provide students with a safe, supportive learning environment which provides opportunities for intellectual, social and personal growth.

Student Achievement

Gazelle School uses a variety of methods to assess student achievement. This "multiple measures" approach includes: results from standardized testing, classroom assessments, pre and post writing samples, portfolio projects, oral presentations and other teacher developed tests.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Gazelle school sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program as well as to provide students with their own textbooks. We follow the State Instructional Materials Adoption Cycle, a seven-year cycle for each content area. All students have a text or workbook they can take home as needed in the four core areas.

- Reading/Language Arts
- Mathematics
- Science
- History/Social Science

The school's library has numerous educational and recreational books that are available for students to check out. The Siskiyou County Office of Education AV department has a large collection of video and audiotapes for classroom use as well as CD and Video Disks. Computers in the classroom are connected to the internet so students are able to access resources and information.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parents of Gazelle Elementary School students support fundraising events. In the past, this money has been used for the purchase of sports uniforms etc. Fundraising events have included a yearly barbecue, dessert social, and other dinners etc.

The rural nature of our small community provides for a unique relationship between the Gazelle Grange and the school. The school uses the Grange facility on an annual basis for its competitive athletic program, Christmas Program, graduation, etc. The Grange has given student incentives for attendance and scholastic achievement.

Because of the close proximity to College of the Siskiyous the school is able to take advantage of many of the available cultural and educational opportunities. Students from Gazelle attend various theatrical performances, enroll available camps, attend summer activities.

Parents are always encouraged and welcomed to volunteer and spend time in the classrooms.

2025-26 School Safety Plan

Safety Plan - Emergency Response Plan - Consumer Confidence Report

Locks on the classrooms and cafeteria doors have been up-dated in order to help in a lock-down situation as requested by our Safety Committee. Regarding other emergency needs as specified in Ed. Code Section 17592.72 (c)(1) we have no gas leaks (checked daily), heating is all functioning, and lots of ventilation. Our school does not use a fire sprinkler system. Each classroom has an air conditioner. There is no risk of electrical power failure that cannot be fixed in a short time by the power company and the sewer is in good working order. We have had no major pest or vermin infestations at Gazelle School. All windows are kept in good repair and all exterior doors are locked. We have monthly fire drills that all the students take part in. There is no hazardous materials that pose any threat to any pupil or staff member and the buildings are all kept in good repair.

Professional Development

Teachers, Aides, Principal/Superintendent, Administrative staff, and Cafeteria Director take part in Professional Development opportunities. Opportunities for Reading, Math, Technology and Behavior management are on the schedule which is updated regularly.

Professional development is an intentional process that gives teachers the ability to analyze the effectiveness of what they do, reflected in current practices while making adaptations when things are not going well in the classroom. Teachers will continue to learn and improve, just as students do. Staff members build teaching skills by participating in conferences, courses, and workshops throughout the year and then sharing their experiences and knowledge with their colleagues.

This table displays the number of school days dedicated to staff development and continuous improvement.
